

JACK DANIEL'S SINATRA SELECT

SKU: AWJDSS

Presenting Jack Daniel's Sinatra Century, one of the rarest bottles of Tennessee whiskey the company has ever produced. This 100-proof whiskey is expertly blended for smoothness after being aged in precisely handmade barrels. The barrel's inside grooves entice the whiskey to deeper layers of white oak and offer it a richness of tastes, giving Sinatra Century a strong and sophisticated flavour. On the occasion of his 100th birthday, Sinatra Century is being released in a limited quantity as a tribute to the man and his storied life.

"How Sinatra drank his Jack Daniel's- Always three or four ice cubes, two fingers of Jack Daniel's, a splash of water, in a traditional rocks glass."
