

JAMESON SELECT RESERVE BLACK BARREL

SKU: IWJSR

Every sip of Jameson Black Barrel contains untold depth and intricacy. It's great on its own or in a cocktail, and it's often regarded as the best whiskey for an Old Fashioned. It has a distinct flavour, butterscotch, fudge, and creamy toffee notes are enhanced by the time spent ageing in these barrels.

Along with the silky sweetness of spice and vanilla, there are a lot of nutty overtones. Enjoy the roasted wood and vanilla's richness and strength on the finish a great blended Irish Whiskey.
