

## JADE VS 1898 ABSINTHE

SKU: LIABCFB1898

### Tasting Notes:

Pale yellow/green. Fragrant nose with floral notes to start which are soon overtaken by full power of wormwood, fennel, anise and hyssop.

The addition of the cold water brought a slow and steady forming, but complete louche and released another wave of aromatics similar to the first but in even greater volume. Great range of mountain herbs adds to the complexity.

A great re-construction of the absinthe of history. Bold vintage flavor profile with powerfully distinct botanical notes and a long, clean finish.
