

SPIRIT OF HVEN AQUAVIT SAMPLE SIZE

SKU: LIAQHV10

On the Island of Hven located in the strait of Öresund between Denmark and Sweden lies the Spirit of Hven distillery. Founded in 2008, this family owned distillery became the third pot still distillery ever to be built in Sweden and is one of the world's smallest commercial pot distilleries.

Truly handcrafted with certified organic ingredients. The fresh spirit is oak matured both prior and after distillation giving extra depth to the soft fudge, vanilla character. The scent of new grind coffee reveals gently behind the fresh herbs.

Tasting Notes: Clear notes of caraway combined with a berry freshness from the St Johns worts and organically grown oranges and lemons, giving it a delightful element of citrus.

Can be served as schnapps, to a cold appetiser, over ice with a slice of orange or even drunk with the addition of water alone. It is best enjoyed with something salt.
