

CARTRON BANANE LIQUEUR (BANANA)

SKU: LICB1

Joseph Cartron has been a family run business since 1882, with strong roots in the town of Nuits-Saint-Georges at the heart of Burgundy's cru vineyards. The soil of this region has been producing high quality fruit for centuries, which for many years have been used in the production of Burgundy wines. Cartron specialises in the production of liqueurs, crèmes, ratafia, marc, eaux-de-vie, with a team of craftsmen using age old recipes.

Bananas were cultivated for the first time in New Guinea over 1000 years ago. Only bananas from Ecuador are the best and are used to elaborate Joseph Cartron Banane. This variety of an intense yellow colour and very arched, is well-known for the quality of its flesh and its very rich and unique taste. The maceration period perfectly restitutes all the exotism and flavour of the fruit in this unctuous liqueur with an exceptional persistence in the mouth.

Tasting Notes: Pleasant and open. Aromatic softness with an invading fruitiness. Great purity of the fruit. In the mouth, the first wave is fresh. The fruit appears immediately. The texture is round with a nice fruity oiliness. Dominating sweetness with a rather soft finale.
