

ESCUBAC

SKU: LIESC070

Sweetdram is an independently-owned distillery based in Edinburgh, built to make exciting and unconventional spirits.

Escubac is a juniper free botanical spirit that is spicy, citrusy and mixes really well with tonic. It contains a 14 botanicals botanicals, including cardamom, caraway, nutmeg and citrus, which are steeped for 72 hours before being slowly distilled on Sweetdram's custom copper copper pot still.

This spirit is then lightly sweetened with raisins and vanilla, and naturally coloured with saffron for a pale-yellow hue.
