

RESERVOIR WHEAT

SKU: AWREW

With a 100% wheat mash bill, the Wheat Whisky is the softest of our three expressions and unique to any other American style whisky on the market. The wheat produces a buttery, savory, and smooth spirit that proves to be an excellent introductory whisky.

Tasting Notes:

Nose: Port, hint of oak, honey, and caramel notes

Palate: Velvet texture, sweet but not cloying (given the lack of corn), perfumed notes of rose petals

Finish: Orange peels, herbaceous, and honeyed with a long lasting mouth feel
