OCHO SINGLE BARREL TEQUILA

SKU: LITOCBSB

A delicious Anejo Tequila, bottled for the superb single barrel range from Ocho. It was made by Carlos Camarena at the Los Corrales ranch. One of the few tequilas still made slowly in the old fashioned way.

Tequila Ocho is a fine quality spirit which accentuates that which is exclusive to tequila, the agave flavour. Each batch comes from a different field or rancho contributing distinctive characteristics of that place. It is made from 100% blue agave.
