

DOUBLE DUTCH CUCUMBER & WATERMELON TONIC (20CL X 24)

SKU: MIDDTCW

Each bottle of Double Dutch is entirely made in the UK without any artificial flavouring, colouring or preservatives. There are only natural ingredients which are used with a blend of the highest quality spring water from the North of England to create crisp, fresh and innovative mixers for refined palettes. The drinks are also low in calorie and only use natural sweeteners.
