

1936 BIÈRE SWISS LAGER 4.7% (33CL X 24)

SKU: BB1936B

1936 Bière 4.7% 33cl Bottle is brewed from the purest water, organic hops, and golden barley grown in the amazing and beautiful Swiss mountains, making it one of the best pale lagers out there. Brewed in the Family run Brewery of Locher they source raw exceptional ingredients only within Switzerland.

There's no heavy industrial treatment used in producing 1936 Bière, and 1936 is totally free from any artificial preservatives or additives. The brewery avoid anything that would harm the flavour of

1936 Bière as the ingredients used are the highest quality available in Europe. This makes 1936 a totally natural product, brewed by our Master Brewer with utmost precision.
