

## AEROLITE LYND SAY 10YR

SKU: MWAL10

The Character of Islay Whisky Company brings us a mysterious whisky from an undisclosed distillery. What we do know is the peaty liquid has spent ten years maturing in a mixture of bourbon barrels and Spanish oak sherry quarter casks, which adds an intriguing sweetness to the peat and smoke. The novel name of this whisky isn't for no reason either - can you unravel the anagram?
