

ROBERT BURNS SINGLE MALT MINIATURES

SKU: MWARRB005

James MacTaggart, Isle of Arran's Master Distiller, said: "This malt has been skilfully created by combining different ages to produce a beautifully rounded whisky." "

The sweet, fruity notes and the depth of flavour mean that this malt can be happily enjoyed neat, on the rocks or as part of a classic whisky cocktail." Robert Burns Single Malt is made in a combination of ex-bourbon and ex-sherry casks, giving it its smooth flavour and distinctive colouring.
