

BRUICHLADDICH 32YR 1984 OLD & RARE

SKU: MWB1984

Bruichladdich head distiller Adam Hannett believes old Bruichladdich in Bourbon is the ultimate expression of the spirit. The fruit, the faint salt tang, the signature elegance is all there but there is now layer upon layer of vanilla/butterscotch complexity. In 2008, then master distiller Jim McEwan identified a classic vintage parcel of that celebrated style and recasked into fresh Bourbon for the last leg of an epic journey.
