

## BRUICHLADDICH 32YR 1985 OLD & RARE

SKU: MWB1985

32 years. A long journey with a few crossroads, a few considered and inspired decisions down the line. This dram comes from the final 22 casks of the legacy stock distilled back in 1985 by a previous generation of Bruichladdich stillmen. This whisky was originally filled into gentle third fill Bourbon casks and lay untouched in the warehouse until 2013.

The then master distiller Jim McEwan discovered this forgotten parcel and re-casked it into fresh Bouron adding depth and complexity. Now in 2017, the final coup de grace is a tantalising nuance in French oak from one of the greatest French Chateaux.
