

BENRIACH 10YR CURIOSITAS

SKU: MWBR10C

A rare peated single malt, BenRiach Curiositas is distilled from heavily peated malted barley as the cereal varietal to produce a unique, fresh peated expression. BenRiach is a return to the original Speyside character and flavour of malts typical of the nineteenth century. Bottled at 40% ABV and of natural colour.

Tasting Note: Honey gold in colour, with campfire smoke, orchard honey, fresh apple and mellow oak wood on the nose. Smoked pine nuts and lingering spice on the palate.

Awards:
