

COMPASS BOX ORANGERIE

SKU: MWCBOR

An infusion of Scotch whisky and natural ingredients, which complement the whisky and enhance its overall aromas and flavours.

Tasting Notes: Using a soft, sweet blend of Highland single malt and single grain whisky from Fife. Secondly, only the freshest, highest quality oranges and top class, aromatic spices. Importantly, they zest the fruit by hand and use only fresh zest in the infusion (no synthetic flavourings or oils).

Only the hand-zested peel of really fresh Navalino oranges will give you the lively, vibrant flavours that are the hallmark of Orangerie.
