

LAPHROAIG 27YR

SKU: MWLAP27

To make this exquisite liquid, mature Laphroaig whisky previously aged in refill hogsheads was transferred into first-fill ex-bourbon barrels and refill quarter casks.

Patiently aged in Laphroaig's famous Warehouse No. 1, these casks were then hand selected for a final maturation. This rare whisky features a touch of Laphroaig's trademark peat smoke tempered by lime and sea salt. Each and every sip will be well worth the wait.
