

HARTWALL ORIGINAL LONG GIN DRINK 5.5% (33CL X 24)

SKU: BBLGD

Hartwall Original Long Gin Drink was originally developed from the 1952 Helsinki Olympics.

Hartwall Original Long Drink was supposed to be served only for the Olympic visitors, but since Finns fell so much in love with it, the production has continued ever since. Moreover, it even created a whole new category of 'long drinks' in Finland – better known as 'lonkero' among the Finns.

Tasting Notes: A crisp, mixed drink that blends the refreshing taste of gin with the tang of grapefruit. The gin and other raw materials are mixed together and then put into can.
