

PIGS NOSE 5YR

SKU: MWPN

Colour: Golden sandy highlights. Clear and bright.

Nose: Firm and rich with luscious, creamy round tones. A long marrying period has brought the various individual characters of Pig's Nose together in perfect union.

This whisky boasts great harmony; it is soft and full with no ragged edges. A smooth, mellow blend with plenty of finesse and breeding.

Taste: Light and seriously smooth whisky that nonetheless has a positive grip. There is an almost spicy richness, leaving the palate beautifully rewarded as these elements drift over.

Elegant and distinguished, the Speyside malts at the heart of Pig's Nose tie this smooth blended whisky together, and promise a truly classic, long finish.
