

## CLÉMENT PREMIÈRE CANNE RHUM AGRICOLE

SKU: RUCPC

Rhum Clément was founded by Homère Clément in 1887 in Martinique, a small Caribbean island which has a unique terroir and the perfect tropical climate and humidity for producing rum. It is the only French Caribbean island to have an AOC appellation, which they received in 1996.

With more than 125 years of tradition, Rhum Clément is the no.1 selling Rhum Agricole, produced in Le François, Lowland Martinique producing rhums with great elegance.

**Tasting Notes:** Volcanic terroir and Clément's tropical appellation lend Première Canne its exotic bouquet and a sensational palate entry with flavours of cocoa bean, bittersweet chocolate, black tea, and unrefined sugar. The mid-palate brings elements of fresh grass and beans preceding a graceful finish with subtle notes of caramelised sugar.
