

DEAD MAN'S FINGERS SPICED RUM

SKU: RUDMF

A skilful mix of fresh and aged rums from Trinidad and Barbados, some of which has been enhanced by 3 years maturation in oak barrels whilst sleeping in the tropics. Aromas of raisin and Demerara sugar complement a blend of natural citrus orange flavours and warming cinnamon.

Cornish flavours: gorse, vanilla, saffron cake, rum and raisin, as well as warming orange and cinnamon with mixed spice.
