

HAMPDEN ESTATE HLCF CLASSIC

SKU: RUHEO

A perfect example of the High Ester Rums that Hampden Estate are renowned across the world for. This Overproof expression demonstrates perfectly a very bold but balanced character and strong character profile.

Tasting Notes: Ripe, tropical fruits like roasted banana and pineapple lead the flavour profile. Gentle spice with a touch of candied lemon - once past the fruit there's so much going on with the spice and dark smokiness.
