

RHUM J.M SINGLE BARREL AMATHUS SPECIAL SELECTION RHUM AGRICOLE 11YR

SKU: RUJMASB

From the volcanic soils of the Northern tip of Martinique, the much-loved J.M estate specialises in fine old and vintage rhum agricoles.

The distillery gets its water from a volcanic spring within the grounds and – incredibly – the cane is pressed within one hour of harvest, preserving all its freshness. This is a single cask of 11-year-old rhum with an incredible complexity: tropical fruit, spices and nuts with a beautiful toastiness.

Impossible to drink without smiling, even in the absence of the Martinique sun.

Please Note: Maximum 1x bottle per order.
