

PINK PIGEON VANILLA RUM

SKU: RUPPV

Pink Pigeon is a Single Estate Rum made in the oldest distillery still in operation today in Mauritius. They uniquely add natural Bourbon vanilla to the handcrafted rum. This exceptional spice is hand-pollinated and hand-picked in the rainforest canopy of Madagascar and the rich volcanic soil of the Reunion Island.

The natural vanilla helps to give the rum a rich and creamy mouth feel making it ideal for luxurious cocktails and revisited classics such as Daiquiris and Mojitos.
