

SAGATIBA CRISTALINA CACHAÇA

SKU: RUSAG

Sagatiba is a superior Cachaça handcrafted from fresh sugar cane grown in the farmlands of Minas Gerais, Brazil. It is aged for two years in tropical wood casks to attain exquisite smoothness.

The Sagatiba Cristalina is a premium multi-distilled Cachaça, which uses the highest possible production standards and state of the art facilities to guarantee a world class product.

The result is a pure, smooth liquid that works well in many drinks from the traditional caipirinha to adding Brazilian flair to any cocktail.
