

HIDALGO AMONTILLADO NAPOLEON

SKU: SHHA

Tasting Notes: A slightly capped nose, quite dusty and nutty, lacking some of the vividness of the Manzanilla. Notes of caramelized almonds and cedar wood. Vanilla latte. Linseed oil and soft hints of leather. Slight hints of dried mushrooms. Overall rather soft.

On the mouth, it's very smooth again, with a subdued salinity and acidity. Fresh and a tad too lightweight maybe, but very accessible. Medium dry with plenty of caramel flavours and nutty notes, as well as a background fruitiness.
