## RÉMY MARTIN LOUIS XIII

SKU: SSCORM13

Louis XIII is a magical combination of savoir-faire, time, art and patience. This Cognac is a blend of eaux-de-vie, aged in individual cellars in tierçons – barrels that are several hundred years old.

The aromatic nose brims with notes of exotic candied fruits that give way to floral delicacy and a perfect marriage of fruits, flowers and spices on the palate. The finish is extremely long, leaving you with notes of jasmine, saffron and cigar box.
