

CORAZON BUFFALO TRACE REPOSADO

SKU: SSLITCBT

Tasting Notes: Fragrant on the nose with some ample vanilla and butterscotch notes. There is also more pepper notes on the nose, which make a slight spicy with sweet agave notes overall impression.

The palate with an undertone of caramel, vanilla and a hint of cinnamon integrates spices and oaky notes beautifully with a sense of bourbon cask which characterizes this fine tequila.

The finish carries out sweet and spicy notes wonderfully in a long and balanced finish.
