SKU: USECR

Elk Cove is one of Oregon's oldest and most respected wineries. Wines have been made here since 1977 by the Campbell family. Adam Campbell today works with his parents as the full time winemaker, keeping the business family owned and run. The estate covers 80 ha in four distinct sites all in the prestigious Northern Willamette Valley.

Grape Varieties: 100% Riesling.

Farming Practices: Sustainable

Tasting Notes: Positively jumps out of the glass with bursts of honeysuckle, honey and eucalyptus. A woody tone of cherry blossoms in springtime tempers the sweetness. Very rich and concentrated on the palate with bright, bright fruit accents of plum, fresh green apple and caramelised orange peel. Continues to be lively on the long, citrusy finish.

Closure: Screw Cap
