

## LIQUORISTERIE DE PROVENCE LE PASTIS DU LIQUORISTE

SKU: VAPL

In the heart of the Aix-en-Provence countryside, the Liquoristerie de Provence has chosen the exciting task of reviving the aperitifs and liqueurs of Provence, in the spirit of the "mestres" (Provençal masters) of the past. Rediscovering their unique know-how, and faithfully following the methods passed down from generation to generation, they are again producing flavours and sensations that everyone thought were lost.

**Tasting Note:** A complex and original recipe involving star anise, verveine and peppermint, this pastis does exactly what it was intended to do: refresh!
