

GREY GOOSE LA VANILLE VODKA

SKU: VOGGLV

In the fine epicurean tradition of France, the essence of aromatic Madagascan vanilla is artistically blended with the world's finest vodka to create Grey Goose® La Vanille. Grey Goose Vodka is distilled from French wheat and is made with spring water from Gensac-la-Pallue that is filtered through limestone. The exceptional result is revealed in the perfectly balanced taste and delicate aroma of vanilla.
