

## KAUFFMAN SOFT VODKA

SKU: VOKFS

Kauffman Vodka is a Russian brand of vodka produced in Moscow. Introduced in 2000 by Dr. Mark Kauffman, Kauffman Vodka is produced in limited quantities and is the only vodka to have a specific vintage - it is produced from the wheat of a single harvest. Kauffman Soft Vodka is distilled 14 times, before being distilled through birch coal and then quartz sand. Pristine and smooth with a subtle hint of honey.
