

## KEEPR'S HONEY & SALTED CARAMEL VODKA

SKU: VOKHS

Our premium English Vodka has been infused with our raw, unadulterated honey from the Cotswolds in Oxfordshire, with a wonderfully rich caramel and finished with a hint of salt, to create a spirit of pure loveliness.

Slightly salty with good toffee flavour and buttery honey sweetness. Serve suggestion: Enjoy neat over ice; a splash in hot chocolate or indulge in a espresso martini.
