

SAUVELLE VODKA MAGNUM

SKU: VOSAU175

A smooth and luxuriant craft vodka, Sauvelle is named in honour of both its origin in the heart of the Cognac countryside and the people for whom it was created.

Sauvelle owes its delectably rich, elegant taste to a unique distillation process, starting with the finest French wheat and the celebrated crystal clear spring waters of Gensac. The vodka is then unchill-filtered and oak-smoothed using chêne du Limousin, creating Sauvelle's indulgent signature notes of vanilla, caramel and cherry blossom.
