

## COMPASS BOX HEDONISM THE MUSE

SKU: WHCBHM

Hedonism, The Muse combines this single cask with other rare and remarkable grain whiskies of varying ages to create a whisky that has all the flavour hallmarks of the classic Hedonism, with even greater depth and intensity.

**Tasting Notes:** A remarkable taste, with great depth and very much in the spectrum of flavours — honey, vanilla and pastry cream — of a Hedonism whisky.

The Muse is also a nod to the woman portrayed at the centre of the Hedonism labels – the first woman, as far as we know ever to feature on a Scotch whisky label and the image was featured on the first-ever bottling.
