

CHIVAS REGAL 18YR

SKU: WHCR18

Subtitled 'Gold Signature', this is a clear and proud declaration of the Chivas house style. As with the 12yr, grain whisky provides structure for Speyside malts to shine through, but the higher minimum age rounds off the oak notes and makes space for deeper flavours: dark chocolate, dried fruit and soft butterscotch. This is a whisky designed for slow sipping, especially if you are starting out with Scotch or prefer the mellower, lower proof end of the spectrum.
