

CHIVAS REGAL 25YR

SKU: WHCR25

Back in 1909, this was the first truly premium blended Scotch to hit the market and, though there are a few more competitors now, it still stands its ground. Extended ageing in barrel has brought out all the blend's potential: orange and prune, marzipan, dark chocolate, vanilla and shortbread are all here. No need to play about with it – simply pour into a proper whisky glass and enjoy this luxuriously long dram.
