

JOHNNIE WALKER BLUE LABEL TOM DIXON

SKU: WHJWBLUTD

The limited edition design by Tom Dixon is inspired by the rarity, craft and heritage of Scotch whisky. The copper accents are a characteristic of Dixon's contemporary designs and are a deliberate nod to the art of whisky-making in which copper pot stills are used during distillation.

Tasting Notes: Johnnie Walker Blue Label has deep intense dried fruit, dark chocolate and rich spice flavours.

Best served neat, accompanied by ice water to enhance the powerful flavours.
