THE MACALLAN RARE CASK 2021 RELEASE

SKU: MWMRC2021

The Macallan Rare Cask Single Malt Whisky has a deep red mahogany colour with an intense sweet raisin note, as well as a rich, velvety smooth mouthfeel and complexity, making it an indulgent and highly sensory whisky. Each oak cask has its own personality, with subtle variances that distinguish it from the others. The Macallan Whisky Mastery Team identifies casks maturing in their vaults that stand out from the rest.
