

TWOMEY NAPA SAUVIGNON BLANC

SKU: USTMSB

Twomey is a project from the team behind renowned winery Silver Oak. The brand was established by the Duncan family of Silver Oak, originating with the purchase of the Soda Canyon Ranch in south-eastern Napa Valley in 1999. Although they specialise in Merlot, we loved the Sauvignon, which is a delicious, lightly oaked, subtly nutty take on the variety; softer and richer than Loire or New Zealand Sauvignon, but avoiding some of the excesses associated with the “Fumé Blanc” style.
