

THE MACALLAN M DECANTER 2020 RELEASE

SKU: MWMACM

M is the iconic product of an rare partnership between three masters of their trades who had an one goal: to create the world's most refined whiskey, housed in a beautiful, custom-designed crystal decanter. M is a design masterpiece created by Fabien Baron, creative director and iconic designer, and given to life by Lalique's crystal talent and The Macallan's purpose.

Dried fruits ripen and soften on the nose. Green apple and vanilla go hand in hand. In the backdrop, rich notes of polished oak and a depth of resinous, luscious oranges create an ensemble of ginger, nutmeg, and cinnamon. The palate begins with a strong presence of wood spices, gradually revealing their full viscosity. Wood smoke drifts in and out of the room. The raisin and sultana flavours become more prominent, leading to a lengthy, rich aftertaste.
