

THE MACALLAN RED COLLECTION 71YR

SKU: MWMR71

The nose has a sweet and spicy opening, with wood spices, soft ginger, nutmeg and orange peel moving into rich vanilla. These characteristics continue on the palate with a sweet ginger sponge moving into the creamy vanilla flavours of a baked custard tart. The epic-length finish is rich in wood smoke, peach and hazelnut.

Macallan's strong respect for time, tradition, and workmanship is reflected in the Macallan Red Collection. Every step of the process is a celebration of the wide range of reds found naturally in The Macallan. Starting with founder Alexander Reid's name—literally "The Red," to The Macallan's 'Choice Old' line debuted over a century ago in 1903, to Allan Shiach labelling antique Macallan bottles with a red ribbon in the 1980s.
