

METZER SHIRAZ

SKU: SAVDSR

Wade Metzer is a real talent who not only makes some of South Africa's best Chenin, but also outstanding reds from vineyards in the Helderberg mountain on the south-eastern eastern edge of Stellenbosch. Metzer Family Wines was born in 2006 after Wade had spent some time being mentored by Eben Sadie, who is the perhaps the most influential South African winemaker of the last 20 years. Wade sought out parcels of old vines tucked away from some of the flashier more touristic wineries and is currently working with 6 old vineyards under contract.
