

## TIO PEPE FINO TRES PALMAS SACA

SKU: SHTPPFTPS

A fine and rare ten year old Fino that has been selected from the very small number of barrels still retaining a thin veil of flor after a decade of ageing. This additional ageing produces a Fino of atypical character; deeply coloured, full bodied and deliciously developed. Aromas of hazelnut, walnut, toffee and dried apricots are suggested on a compelling and characterful nose, whilst the palate is dry, rich and broad with layers of flavour and immense intensity. An outstanding sherry that is delicious on its own or when paired with cheese plates and intense game dishes.
