

CHAMPAGNE AGRAPART 7 CRUS

SKU: SSCHA7C

Widely viewed one of the very best Champagne grower producers, Pascal Agrapart is based in Avize and works with 12 hectares of vineyards along organic lines. This is his entry-level wine, a blend of 90% Chardonnay, 10% Pinot Noir. This comes from vines in seven villages, including the Grands Crus of Avize, Cramant, Oiry and Oger. A blend of vintages given over two years 'sur lattes', the dosage of 5g/l is well-judged, helping to emphasize its driving fruitiness and minerality. It is a perfect example of how a good NV champagne balances character and authenticity with sheer, delicious drinkability.
