

HENNESSY XO MINIATURES

SKU: COHXO005

The emblematic icon of the House, Hennessy X.O remains unchanged since its creation in 1870, but never ceases to surprise and reveal its rich and robust character.

Tasting Notes:

Sight: Its deep and intense amber colour and glimpses of mahogany are an indicator of its power.

Nose: Open and well balanced, the nose is full of rich aromas of black pepper and wild cocoa, softened by notes of dried and preserved fruits with a delicately spicy edge.

Palate: At once soft and powerful, it has an undeniably modern personality, which enables it to be appreciated either neat, on the rocks or even cut with a splash of water.

Hennessy X.O can be enjoyed on the rocks or with a splash of water in a tumbler glass.
