

ALAIN CHAVY PULIGNY MONTRACHET LES CHARMES

SKU: FRACPMC

Alain Chavy has been known as one of the earliest to pick in the village but the recent, hot summers have obliged most of the other growers in Puligny to follow suit. The house style has always been one of restraint and elegance, producing a range of truly mineral wines with oak providing just a supportive backnote. This is a single-vineyard wine from a plot on Puligny-Meursault border adjoining Meursault 1er Cru Charmes, making this a slightly broader richer expression than his standard Puligny, close to premier cru quality but still accessibly priced.

An abundance of white peach and yellow plum, smoky mineral notes and refreshing clarity on the finely poised finish – a classy White Burgundy.
