

BONPLAND STEVNSBAER CHERRY & PINOT NOIR BITTERS

SKU: CSBCP

In 1799, the French physician and natural scientist, Aimé Bonpland, embarked on an epoch-making journey of discovery through America, together with Alexander von Humboldt, known as the German Columbus. Bonpland's notes and discoveries are to thank for the thousands of new plant species and animal genera.

Bonpland, who later tended Napoleon's imperial gardens and taught as a professor in Argentina, summarised his findings in literary form. His drive for new discoveries in both the old and the new world, makes Aimé Bonpland the namesake of a rum that connects the greatest treasures of distant distilleries, with the artistry of old German craftsmanship

A combination of new world aromas and flavours, with some of Bonpland's local fruits, namely the cherry and Mosel Pinot Noir. Bitters bring concentrated flavours to your favourite drinks, much like adding a herb or spice when cooking.

Try it in a winter berry martini.
