

STRYKK NOT RUM 0%

SKU: CSSNR

A non-alcoholic rum or notrum that ticks all the right boxes – with notes of vanilla, raisin, oakwood, sugarcane – and even better, you won't feel dark and stormy the next day.

Make it the key component in your Mojito, rum & cola, or an alcohol-free Cuba Libre cocktail.

100% natural with no sugar, no fat and no artificial flavours.

Tasting note: Dry Tanin flavour with some woody and grapefruit notes and slow build of heat.
