

VAL DI SUGA BRUNELLO DI MONTALCINO HALVES

SKU: ITVDSBDM375

Montalcino lies in the splendid Val d'Orcia, a UNESCO world heritage site in the heart of Tuscany which is the source of some of Italy's most compelling red wines. The climate is typically dry Mediterranean, with a continental influence given its location between the sea and the central Apennines. The terroir is a single large hill beneath the town, which has numerous soils alongside a variety of aspects and microclimates.
